TO ALL REGISTRARS OF VOTERS AND COUNTY CLERKS:

Elections Code 17122, added by Statutes 1975 Chapter 1203, requires us to ". . . compile a supplement to the Statement of Vote, showing the number of the votes cast in each county, city, Assembly district, senatorial district, congressional district and supervisorial district for each candidate for the offices of . . . United States Senator, . . . and on each statewide ballot proposition . . ." (the text has been shortened so as to show the relevant, required information.)

From 1962 through 1974 we compiled a supplement only after the general election. Now we are required to compile an expanded supplement to the Statement of Vote after each primary and general election. Enclosed are the forms necessary for you to complete your portion of this supplement.

Please fill out the forms carefully and accurately. The information that you put on these forms will be computerized and printed out differently from the way you submit it on the forms.

In order to minimize telephone calls, please fill out these forms remembering what to do with the absent voter figures. Include the absent voter total in the county, congressional, senatorial, and assembly district total. Do not include the absent voter total in either the supervisorial district or city totals.

If you have any questions about the forms or what we need, please call.

Thank you for your usual, efficient compliance.

Sincerely,

A handwritten signature in cursive script, appearing to read "William N. Durley".
